**STOCK CLEARANCE SALE!**  
A settlement of the estate of the late senior partner of this firm is to be made in January. A necessity of the event is the reduction of stock to the minimum. It is to our interest to convert goods into cash at the sacrifice of profit. It must be a clearance sale in the most comprehensive significance of the term—a sale in which neither cost, value nor loss get a moment's consideration. To reduce our immense stock to the only aim, the highest hope, the fixed determination. No man or woman who knows the value of a dollar, who understands this opportunity to save, will let it pass without taking advantage of it to the full as far as prudence and means permit. While many departments are represented here, it would take double the space this ad. occupies to tell of the dozens of other equally attractive bargains. Call on us, it's the only way to master all the facts.

**SIX BIG VALUES!**  
None bigger, none better, none worthier ever offered the people of Mayville.  
No. 1—Melange Cheviot, 45 inches wide, 50c, original price \$1. In all the new fall styles, you can judge values we are sure wisdom will guide you rightly when you see this unusual bargain.  
No. 2—Black Taffeta 27 inches wide, 75c, original price \$1. Every yard guaranteed to wear. You may be surprised at the price, but you'll be more surprised at the quality.  
No. 3—Onetta Union Suits, 4c instead of 7c. Soft and fine, well made and finished. Closely knit, withstand many washings. You know the garment too well to need further description.  
Everything mentioned above on sale now. Of course early comers have benefit of choice. No disappointments await you, complete satisfaction stamped on every offering.

**A DOLLAR** is worth just what it will bring. If you had a barrel of them in the desert of Sahara they wouldn't buy a cup of water. Now we are certain it will here during this sale. It might buy a larger package elsewhere but we are not talking of quantities. We refer to qualities and values. The following list tells what a dollar will do in some of our departments. It's not a list of exaggerations but a statement of facts.  
A dollar in the Linn Department will buy a splendid Bleached Flannel 72 inches wide in rose, fern, lily, lace or a range of colors as well as original price 50c. The best bed spread you ever saw for a dollar and no wonder for they've been selling for \$1.50.  
A dollar in the Colored Dress Goods Department will buy an exquisite French Broadcloth worth 45c, or a Fancie Cloth as soft as velvet worth 45c, or a Scotch Mixed Covert for walking suits worth \$1.50.  
A dollar in the Black Goods Department will buy a French Broadcloth, a Royal Scotch, a Fancie Cloth, a Fancie Hair, a Milan Cloth, an English Poplin, all 1 1/2 yds. wide and worth \$1.50 a yard.

A new industry is promised for North Carolina in the discovery of the masting reed in its river marches. It has long been said that matting could be made only in China, because the reed suitable for its manufacture was found only in that country. Recently reed has been found growing in the greatest profusion in the waters of the Trent and Susquehanna rivers above Newbern, N. C., which experts state is identical with that used in China for making matting.

**"JOLLY YOUNG MEN."**  
Paris, October.  
The Haymakers came up from Mayville Wednesday evening and installed a Loft at this place. They were eighty-nine strong, and the town was theirs. The line of march from the depot down Pleasant and up Main street was a streak of red blaze and a careless discharge of cannon crackers. Editor Tom Davis was also in the procession. The Haymakers is a side degree of the Redmen, and the brothers of the Paris Tribe spread two feasts that were royal and sustaining. The first, upon arrival of the guests, was prepared at the Fordham, by that prince of caterers, Dan Connors, and the other at Oddfellows Hall by Mrs. Ben Perry. Billy Lynch, at one time of Millersburg, came in with a white ping hat and a linen duster, the pockets of which were stuffed full of hay. The "troop" returned at about 2:30 Thursday morning on a special train in charge of Captain James Dunn and Engineer George Little. It was a fine night, and a jolly lot of young men will long be remembered by Paris people.

"Your remedy Schiffman's Asthma Cure is the best I ever found. I bought a package of your drug and tried it and was entirely cured of my asthma and I have not had it since. I can now go to bed and sleep all night with perfect comfort, which I have not done before for 35 years and I thank you for the health that I now enjoy. I hope that you will publish this letter, that others may learn of its wonderful virtues."

Our buyer makes the dress goods department his hobby. He studies all the fashion in dress goods the world over. If he hears of a new fabric coming over from the "other side," a telegram brings us a piece on its arrival in New York. We have sold more fine Dress Goods this year than the old store sold the whole of last winter. Next year we expect to sell more than all the stores in Mason county together. If you have seen our line you cannot deny that we have the finest collection in town. No old goods in the lot; that's why we ask a small profit. Are we not entitled to it?

Law is a funny thing. The Chesapeake and Ohio Railway leases the tracks of the Louisville and Nashville Railway in Franklin county. Some time ago a Chesapeake and Ohio train, running over this leased track, killed a man named Rastus E. Bannay. The Court of Appeals says the L. & N. is responsible for the negligence of the C. & O. occurring on the L. & N. tracks. Pursuing this ology, the owner of a farm is responsible for the death of a person who is run over and killed by the wagon of his tenant. Law is a funny thing!

## BRILLIANT SOCIETY EVENT.

Marriage of Miss Katherine Albert to Col. Charles B. Kefauver.

The beautiful home of Mr. and Mrs. George L. Cox on East Third street was the scene of a brilliant society event Tuesday evening, the marriage of Miss Katherine Albert and Colonel Charles B. Kefauver of Charleston, West Va.

The house was artistically decorated with palms, cut flowers and the glowing tints of autumn leaves. The guests were received by Mrs. George Harbour, Miss Heasle Coons, Miss Pickett and Miss Ann Della Power.

Promptly at half past eight, preceded by the Rev. Augustine Smith, and to the music of the Bridal Chorus from Lohengrin, the bride party entered the front drawing-room in the following order: Colonel Kefauver and his best man, Mr. Douglas Hughes of Charleston, West Va., the Maid of Honor, Miss Mary Alter Harbour, then the brides in the arm of her brother-in-law, Mr. George L. Cox.

The impressive service of the Episcopal Church was used, and in front of the large, round window at the end of the front drawing room with its background of palms and tropical plants the bride and groom were united in the ritual gown of white satin, with point lace medallions. Her little veil was held by a diamond crescent, the gift of the groom. She carried a large bouquet of white roses.

The groom is a native of Baltimore, Md., but has lived in West Virginia for a number of years. He is a rising young politician of his adopted state and the positions of trust he has held testify to the high esteem in which he is held.

The Maid of Honor, Miss Harbour, was very handsome in a soft white silk gown, trimmed with pink panne velvet and chiffon. She carried Bridemaids roses.

After the ceremony and congratulations, an elaborate wedding supper was served. At the bride's table, the decorations were in pink and white, the cloth strewn with pink roses. In the center of the table was a massive silver candelabra, a gift from the groom's parents, an heirloom in the family for 20 years.

The health of the bride and groom was drunk from an old silver loving cup, which had served for the same purpose at the golden and diamond wedding of the bride's great-grandmother. Those seated at the bride's table were the bride and groom, Miss Harbour, Miss Heasle Coons, Miss Pickett, Mrs. George Harbour, Miss Power, and Mr. Hughes, Mr. Frank Thomas and Mr. Walter Shaker of Charleston, Mr. James H. Hitt of New York and Mr. Webster Kefauver of Baltimore, Md.

Mr. and Mrs. Kefauver left on the C. & O. train at 10:30 for an Eastern trip and on their return will reside in Parkersburg, West Va.

ALL matter for publication must be handed in before 9 o'clock a. m.

The humming bird, of which there are many varieties, is found only in America and adjacent islands. The only food that will be of any avail in the proposed attempt to convey some of these birds to Europe is honey. It is not very difficult to keep the birds alive in cages for a few weeks in summer, but it is almost impossible to get them through the winter.

The Paris Messenger says that an attempt to resuscitate the old Roman amphitheater near the Jardin des Plantes, Paris, is about to be made. This ancient arena, which is now used partly as a playground for poor children and partly for omnibus stables, has a remarkable history. It is one of the largest known Roman arenas, and dates back to the first century. There is evidence that the Emperor Julian held sports there.

## THE KEY TO HEALTH

### STRENGTH AND LONGEVITY IS THE STOMACH

CONSTITUTION, DIGESTION, NERVOUSNESS, STRENGTH, LONGEVITY, IS THE STOMACH

All diseases are more or less comprised in the above four ailments all of which have their origin in the stomach. To cure each, say or all of them, begin with the stomach. Begin with Laxative, the essential laxative. It specially and powerfully acts on the bowels, cleanses the stomach, stimulates the liver, corrects the kidneys, restores the nervous system, restores the blood, while its marvelous taste preserves the system while curing it, and speedily restores a natural and permanent condition of health. Laxative is the best children's remedy in the world, and the only one that builds up the children's system while acting as an all-around blood-purifier and tonic. It specially cleanses the lungs, checks colds and coughs, and promotes sleep. Children like it and all parents. Mothers are its greatest friends; they use it and recommend it. ## MISS WADSWORTH'S RECITAL

Large Audience at Dayton Enjoys a Maysville Girl's Singing.

A recent issue of The Dayton (O.) Press has the following to say of Miss Florence Pearce Wadsworth, daughter of Mr. and Mrs. W. H. Wadsworth of this city:

Miss Kofler's studio was crowded last night with musical folk interested in Miss Florence Pearce Wadsworth's introductory song recital.

For those who knew the fair soprano did the expected and covered herself with glory. For those who knew her not before she proved a most delightful and original singer.

Her program was widely varied and withal most charming. The first number, Miss Wadsworth's song, "Arise, for the World Rejoice," made a very effective opening number. She did in it the two "Carmen" songs, "La Hula" and "The City of the Future," and for the closing, "The Willow."

Miss Wadsworth's accompaniment for the rest of the program and did them beautifully. Miss Heinrich was supposed to have a monopoly on that sort of thing—i. e., singing and playing equally well—and her efforts. Miss Wadsworth will probably be known as the lady with the piano.

In a program which seemed to please throughout, Miss Wadsworth sang the singer best in the three, "Hawley songs," "My Little Love," "A Rose and a Wheel," and "The Willow." Her accompaniment was most effective. Her "The Willow" was particularly good. Her "The Willow" was particularly good. Her "The Willow" was particularly good.

Miss Wadsworth's premier is destined to enjoy much success in Dayton.

LOUISVILLE PRIZE.

Peter Sterling Won Without Touch of Whip, Holding His Gait Like a Piece of Machinery.

Lexington, Ky., Oct. 16.—Peter Sterling won the \$10,000 Louisville prize without a touch of the whip and holding his gait like a piece of machinery. The winner of Tuesday's \$10,000 Futurity passed under the wire first in each heat with a length to spare. Royal Codd led him in the first mile to the stretch and finished second, Hawthorne third. In the next heat two bad breaks caused the challenge to get the flag. Peter Sterling was never nudged in the second heat, though Hawthorne clung to his sulkey wheel. The Burdmore colt was favorite, \$30 to \$200. In the first, and he led \$5 in the second heat.

Onward Silver, winner of the Transylvania, and Dolly Dillon had their second bitter struggle of the week during the \$10,000 Futurity. Hopes centered on the mare were realized. Before the race Silver was favorite, \$50 to \$100. In the first heat Dolly Dillon showed the fine condition she was in while three breaks indicated that the horse was not in good temper.

Charles Murphy, the veteran of the trotting turf, captured the Walnut Hall cup, \$5,000, with Captor. The record time for the fixture, 2:11 1/4, was set by Murphy. He won the time in the first heat and 2:09 1/4 in the third. The track was fast.

## FROM OVERWORK.

An Instructor at the Kentucky State College Shoots Himself—Can Not Survive.

Lexington, Ky., Oct. 16.—After attending two classes and immediately following a series of lectures David A. Nett, aged 23, a senior and instructor at Kentucky state college, whose home was at Troy, Ky., sought the seclusion of a friend's room on the third floor of the dormitory at noon Tuesday and sent a pistol ball into his brain. He can not recover. Melancholia from overwork is the only explanation offered. He had expressed the sentiment recently that life was not worth living. He borrowed the key to the room of W. P. Kelly and P. C. Taylor, classmates, on the pretext of wanting a book. Inside, he secretly fastened the door, secured a pistol belonging to one of the students from a trunk, and lay down upon the bed and, with the revolver at his temple, pulled the trigger. Those who heard the report thought it was the firing of a gun. He was alive when the door was burst in at 1 o'clock, but never regained consciousness.

## THERE ARE MANY ROADS.

The Finger-Point-Blanking the Many Paths of Present Day Troubles All Seem to Point the Same Way— Luck of Nerve Force.

Day by day the columns of this paper bring new evidence from Mayville people of the work less done by Dr. A. W. Chase's Nerve Pills. Why they accomplish so much is easily explained—they are prepared with an eye single to restoring Nerve Force. They accomplish this object which no other medicine in the world has ever been able to do. That's why hundreds of Mayville people offer their testimony.

Mr. Thomas Maher of No. 212 Lee street, Mayville, Ky., says: "I have been a sufferer for some time from heart failure and acute indigestion. Hearing of Dr. A. W. Chase's Nerve Pills I got a box at Chenuwe's drugstore, and now I am pleased to say the pains in the region of the heart have ceased and my digestion is good. I can recommend this medicine very highly."

Dr. A. W. Chase's Nerve Pills are sold at 50 cents a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M.D., are on every package.
